Set Public Hearing Tuesday On Smith Trailer Court Plan

To determine public reaction to the Smith Enterprises proposed $175,000 trailer court the city planning commission Tuesday night scheduled an informal public hearing on the project.

The hearing will be held next Tuesday night, beginning at 8 p.m., at the council chambers.

Smith Enterprises, at an earlier meeting, showed the planners an architect's drawing of the court, which would be located at quarry property South of Brunswick street just off Hillside boulevard.

The surrounding property is a heavily settled residential area and many home owners have indicated they will object to the project.

Hugh Smith Jr., representing the Smith Enterprises, claims that the entire trailer court could be hidden from view and would be attractively landscaped.

In addition, he states, residents of the 76 units would spend an average of $200 a month in the adjoining shopping area, meaning approximately $180,000 in new business for the area.

In other business Tuesday the commission denied application from Western Advertising Co. to install benches at all bus stops with advertising matter painted on the benches. The commission concurred that with the pending installation of the city ash-cans with advertising matter, the city would be participating in too many advertising ventures.

The commission recommended that the petition of Thomas Callan Jr. for annexation of Lot 45, 46, 47 and 48, Block 7, in the area bounded by Third and Second avenue facing Valley street, be approved.

Approval was given on the street maps for Westlake Unit No. 8, which is now up for annexation.

Commissioner George Pingry was named as the group's representative to the newly-formed inter-regional advisory planning committee. Purpose of the new group is to formulate a master planning program for San Mateo county.

The Town Record

By MONTE DAYTON

Word has it that RALPH LAWRENCE, Doelger Co. bad boy who finegled some several thousand dollars from the firm above and beyond his weekly paycheck, has been released from prison.

GLEN HOUSTON, 355 Willits, this week became the 500th new subscriber in THE RECORD'S whirling two-month subscription campaign waged by FRANCES KAVANAUGH.

Houston's subscription brought this publication's total paid circulation to 3000, largest in San Mateo county for a weekly newspaper.

JOE BELLI, Lions club head, is resting well after a minor operation.

At least he was resting well prior to Wednesday night's eight-hour stand at the Reno gaming tables with fellow Lions.

Mystic statistics: Down at Westlake school, one classroom hustled up a 271 per cent parent membership in the PTA.

That means 2.71 parents to each child.

Without pomp or circumstance last week MRS. JEAN O'ROURK, librarian, retired after 35 years of service in the Daly City area and she has many well-wishers in the Broadmoor-Colma area.

Oh, that was $3500 for the Mission Circle widening project. Last week's report of estimated cost on the project merely showed one zero too many.

Daly City pound is so overcrowded that last month some 300 animals had to be gassed after over-staying their usual few-day grace period.

NANCY LAMB, girl Friday at this publication last summer and prime instigator of "David's Parade," paid this newspaper a visit yesterday, after playing hookey from her class at San Jose State college.

When will they start selling ringside seats for the T. CALLAN JR.-R. LAGOMARSINO verbal skirmishes held almost weekly the city council chambers?

Monday's meeting found the two builders tongue-swinging at the sound of the bell and not stopping until the arena was vacant.

Man Charged Drunk Here In Car Sunday

Ernest Patrick Barker, 24, of South San Francisco, was arrested by local police early Sunday morning after he was found parked in his damaged vehicle next to the city garage, allegedly in a drunken condition.

Officer Jerry Galindo said when he arrived on the scene he found Barker behind the wheel of his car, which was parked but running.

The right fender of the vehicle was damaged and Barker claimed that he had hit a pole in San Francisco.

Galindo investigated to see if Barker had been in an accident in Daly City but could find no evidence of a damaged pole here.

After being booked on the drunk charges, Barker was released on $50 bail and scheduled to appear in municipal court at 10 a.m. Tuesday.

Junior Chamber Names Dewey To Head Group

Daly City-Colma's newly-formed Junior Chamber of Commerce has named John Dewey to head the organization.

Other officers chosen were: Roy Erfurt, vice president and treasurer; Dave Steele, vice president and secretary; Bob Landau, Lou Aquitera and Jim Vicknair, board of directors.

At Tueday's meeting a unanimous vote was given to urge passage of the $1,486,000 Jefferson Elementary School district bond issue.

Next Tuesday will be the deadline for becoming a charter member of the organization. Persons desiring information may contact Lou De Bella, PL. 6-0340.

Meetings are held Tuesdays at the Westlake Lounge.

WOMAN SUFFERS CONCUSSION IN MARKET MISHAP

Mrs. Dorothy Schaeffer, 38, of 326 First avenue, suffered concussion and minor cuts and bruises Tuesday morning when the auto in which she was a passenger skided into a telephone pole at First and Market streets.

Police said driver of the vehicle, Mary Johnson, 30, of 349 First avenue, was travelling north on First street when she applied the brakes and went into a skid, sliding into the pole.

Mrs. Schaeffer was still confined at Junipero Serra hospital yesterday.

CITY SETS HEARING ON SUBDIVISION LAW

The city council has set Monday, November 22, as date for public hearing on the city's new comprehensive sub-division ordinance.

The 32-page statute is designed to establish uniform building and developing practices and expedite formal proceedings for land development.

COUNCIL RE-SETS ANNEX HEARING

Public hearing on the proposed annexation of 440 acres of Doelger property to the City of Daly City was re-scheduled for Monday, December 13, at 8 p.m. by the city council Monday night.

The hearing was originally set for last Monday night but at the last minute had to be called off because the notice of hearing had not been published in a newspaper of general circulation outside Daly City.

Case Continued In Petty Theft

Arraignment of Howard Wilson, 2147 Junipero Serra boulevard, on charges of petty theft, was continued to November 16 in action at municipal court Tuesday.

Wilson allegedly took $200 cash from L & L Transports, Inc.

The accused is presently free on $100 bail.

In other action Tuesday Rudolph Arellano, 50, of 226 East Market, pleaded guilty to being drunk in a public place October 27 and paid a $25 fine. Arellano was arrested by police in front of his home, clad only in his underwear.

Patrick Henry Cassidy, 2432 Army street, San Francisco, charged with speeding and reckless driving October 31 on Hillside boulevard and Mission streets, forfeited $25 bail.

City, School District Slate Joint Meeting

A joint meeting between the city council and the Jefferson Elementary School district will be held Wednesday at 3:30 p.m. at the school district administration building.

Purpose of the meeting is to discuss cooperative use of recreation facilities.

Bids For Widening Mission Circle Called For Dec. 13

Plans and specifications for widening of Mission Circle to a two-way thoroughfare were approved by the city council Monday and bids for the project will be opened December 13.

The project, estimated to cost $3500, will bring the width of Mission Circle from 24 to 34 feet. At present the route is a one-way street, allowing only north-bound traffic.

STOCKTON MAN IN STRANGE COURT CASE

Jurisprudence was dumbfounded this week with the strange proceedings involving Edward Sidney Riley, 41, of Stockton.

Riley was arrested on a bench warrant Friday for failing to pay a fine resulting from an assault and battery count at a top of the hill tavern last September.

A fine of $150 had been levied on Riley and Municipal Judge Thomas L. Bocci, at time of sentence, gave Riley a stay of execution to October 20.

On re-arresting Riley Friday the Judge discovered that Riley was also in other trouble.

On Riley's original arrest Geo. Kirchhubel of the Hilltop Lodge had posted $200 bail for him.

Following Riley's release, bail was ordered returned to Riley; the court mistakenly under the impression that the $200 was Riley's.

A few days before Riley's rearrest last week Kirchhubel contacted the court to find out where his $200 was.

Bocci learned that not only had Riley accepted the $200 as his own but he had cashed the bail check and spent every nickel of it, not, however, towards paying his $150 fine.

However, on his pedson when picked up Friday, Riley had $150 of his own cash.

Bocci ordered this money held by the police department for three weeks. Meanwhile, Riley was ordered to appear before Bocci November 26 at 9:30 a.m. and make restitution of Kirchhubel's money.

COUNCIL CONSIDERS ORDINANCE REQUIRING LEASH FOR CANINES

Passage of an ordinance requiring that all dogs be on leash when on the public streets was considered by the city council Monday night.

City Attorney Frank Blum presented the idea for the council's consideration. He said other cities throughout the state are adopting similar laws.

The council also discussed an ordinance which would make any interference with the poundmaster while on duty a criminal offense. This, Blum said, would give the poundman more authority in picking up stray animals.

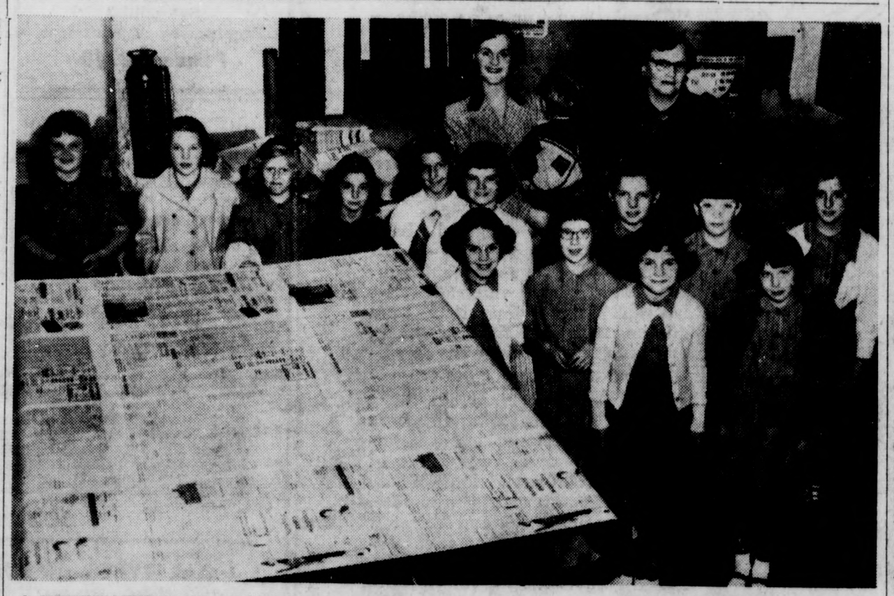
Both matters were directed to the police commission for recommendation.

Only One Case Polio Here During October

One case of poliomyelitis was reported for Daly City during the month of October, according to a recent report of the county health department.

Throughout the county a total of 18 cases of polio were listed for October.

Only other communicable disease listed here for the month was one case of syphilis.



A NEWSPAPER in the making is viewed by Brownies of Troop 197 in recent visit to THE RECORD as part of their training on community life. Girls are shown here observing paper in process of being printed on Goss flat-bed press. Shown in photo (back row, left to right) are: Patricia Murphy, Lillian Unger, Darlene Hansen, Linda Seigle, Linda Sargent, Dicky Lou Norwood, Claudia Saylor, Anne Rogers and Carol Kay. At front (left to right) are Laurie Verhagen and Barbara Toohey. Mrs. C. Verhagen (left, rear), leader, and Mrs. Jack Rogers, co-leader, accompanied the Brownies.

City Seeks Speed-Up On Hillside Drainage

Efforts were speeded by the council Monday night to establish a $65,000 drainage assessment district east of Hillside boulevard and eliminate the dangerous ditch adjacent to the Colma school.

Public hearing has yet to be set on forming the district for storm drain installation, and the council decided it would be necessary to take emergency action on the Colma drainage ditch problem, part of the project, to curb the potential danger to children before winter rains start.

It was agreed that the city would erect a fence along the south side of the ditch, which runs parallel along Market street near the school. This would provide a temporary safety measure until such time the assessment district is formed and a four-foot culvert built to handle the ditch run-off. Cost of the fence will be about $1000.

City Engineer Edwin Smith discussed with the council the plan for basing assessments on front footage and extent to which the property contributes to the drainage problem.

The east of Hillside boulevard drainage project, affecting approximately 1500 homeowners, will be financed by levying assessments on the residents of the area, ranging from $15 to $50.

BROADMOOR MAY GET WATER RATE INCREASE

Broadmoor residents may be paying anywhere from $1 to $1.50 more a month for water in the near future.

The California Water Service Co. has placed a petition with the state public utilities commission for a rate boost of 16½ per cent in the Broadmoor area.

Average water bill in Broadmoor runs about $6 or $7. Based on this figure, the increase would add at least a dollar more per month to the bill.

Last water rate increases granted the water company was three years ago.

Cop Slapper To Appear In Court

Slapping a police officer in the face cost Robert Edward Lee, 23, of San Francisco an appearance in court.

Lee was picked up by Daly City police officers Jim Sunderland and Gerald Schaeffer Sunday night at 9:10 p.m. after they were notified by a cab driver that Lee refused to pay his fare.

Responding to a tavern on Mission street, they had to use force to arrest Lee after he slapped officer Sunderland in the face. Police said Lee was the same man who was ordered out of another Mission street tavern earlier in the evening.

Lee was released on $25 bail and ordered to appear in municipal court Tuesday at 10:30 a.m. on charges of being drunk in a public place.

MAN SAYS NIX TO OLD "SHOW ME WAY . HOME" COP'S ADVICE

A San Francisco man who was reluctant to go home Sunday night has been charged with being drunk in a public place by local police.

Eugene Elwood Olson, 33, was confronted by police at Templeton and Mission street at 10:30 p.m. where he was involved in an altercation with some fellow tavern patrons.

Police Sgt. August Benassini put Olson on a bus and told him to go home. The man disembarked from the bus on Acton street and walked back to the bar where police again met him.

Benassini said when he attempted to arrest Olson he started to fight and had to be handcuffed.

Bail was set at $25 cash, $50 bond.

Council OKs Hiring Four Account Clerks

Probationary hiring of four women as account clerks were approved by the council Monday night.

Those appointed were Janet Hackley, Cecile A. Blume, Wilma Riley and Juanita Perada. Salary range is $231 to $268.

Remaining on the civil service eligibility list are Barbara Siliconi and Mary Ann Cartwright.

The council also accepted resignation of Kathleen Heggum, who works in the city clerk's office. Her resignation is effective November 12.

The council officially established classification for a child's librarian, at a salary range of $295 to $341.

Approval of the eligibility list for the fire department was held up until next meeting.

Police Station Doesn't Disturb Chinese Visitor

Holy Ong Hing, 24, of Berkeley isn't disturbed by the business-like activity of the police department.

While being held at the local station Friday, Hing displayed his nonchalance by munching on daisies.

Hing was picked up at 4 a.m. Friday by Officer Jerry Galindo. Galindo, while on patrol, was stopped by an El Camino motel owner who said Hing had gone to sleep in a parked car after being refused a room for th night.

Hing assertedly locked himself in the car and the motel manager had to contact the car owner to unlock the vehicle and get Hing out. When first asked to get out of the car by Galindo, Hing refused but later complied with the request.

At the Daly City station Hing couldn't explain his earlier actions. He merely sat there eating daisies.

Hing admitted to police that he had spent time in two rest homes in Arizona.

Judge Thomas L. Bocci ordered the man with the craving for daisies released.

SAFETY MEASURES URGED FOR ALEMANY-SHEFFIELD CROSSING

Installation of stop and caution lights at the highly-traveled Alemany-Sheffield drive extension was recommended by the police commission at their meeting Tuesday night.

The commission suggested that a stop light be placed at the Sheffield approach while a blinking yellow caution signal be installed on Alemany to slow down traffic.

In other action the commission recommended permanent appointment of Richard Brohman as a Daly City police officer. Brohman has completed his one year probationary period successfully, the commission said.

Police Chief Roland Petrocchi was on hand at the meeting to discuss mutual problems with the commission.

Sixty Journey For Evening's "Joust" At Reno's Tables

Sixty Daly City-Colma Lions and Lionesses straggled home in the early hours yesterday morning after spending six lively hours at the tables in Reno in the first of a proposed series of charter trips to famous entertainment centers.

Flying by DC-4, the entourage arrived in Reno at 8 p.m. and were guests of Harold's Club for cocktails and hors d'oeuvres.

After jousting with the gods of chance the Lions embarked on the plane at 2 a.m. for the homeward journey.

Lion president Joseph Belli Jr. says his club may negotiate for

CALLAN, COUNCIL IN ROW OVER LOT ACCEPTANCE

A marathon harangue between builder Thomas Callan Jr. and city councilmen developed Monday night when the council failed to formally accept lots in Callan Heights No. 3 into the city.

Callan charged that the council had last month given verbal approval of the area and said they told him the property would be formally admitted to the city at the last regular meeting.

"This should have come up at the October 25 meeting, according to you fellows," Callan claimed. "I was assured it would at least be taken care of tonight."

Mayor Joseph Verducci countercharged that, "Here we are just ready to accept lots into the city and you're already building." The mayor ruled that any building Callan was doing now was strictly at his own risk, since when formally annexed into the city all structures must be in accordance with the building code.

Actual annexation of the Callan area became effective October 22, 30 days after time of council approbal. Following that the state had to approve the proceedings, then forward their OK to the city, at which time the city formally accepts the land.

City Attorney Frank Blum explained that probably the letter from the state didn't arrive here until Tuesday, Oct. 26, day after the last regular meeting.

"But don't you remember, Mayor Verducci, telling me last month that I could go ahead with building because you were going to approve the lots at the next meeting," Callan pleaded.

"I told you the council couldn't put themselves on the spot by giving you approval to build when the land wasn't even annexed," Verducci answered.

"I'm quite surprised nobody at that meeting recalls the mayor telling me to go ahead with the work," Callan retorted.

The council adjourned the meeting to next Monday night, at which time they will take up the approval of Callan's lots.

Bicycle "School" Planned For '55 In Broadmoor

A new program that will put the same responsibilities on bicycle riders as adult motorists is about to be inaugurated in the Broadmoor area, police Chief Ray Savage announced today.

Savage, chairman of the James L. Snell PTA safety committee, said that early in 1955 a bicycle school will be established by the PTA, working in conjunction with his department.

Pamphlets on safety will be the "textbooks" for the school and a written examination on bicycle driving will be given on completion of the course, as well as an actual driving test. Youngsters passing both tests will be granted a drivers license.

Bicycle driving laws will be enforced and penalties for infractions will be meted out at a court which will sit two Saturdays a month at the police station.

SCHOOL LEAGUE MEETING TUESDAY

The League for Better Schools will met Tuesday, November 16, in the couucil chambers of the Daly City city hall.

School architect Mario Ciampi has been invited to address this meeting on the Building of schools. Included on the agenda will be the election of officers and committee members.

Delegates from all organizations are urged to attend. The public is welcome at all meetings of the league.

Information in regards to the League may be obtained by calling Mrs. Jack White at JU. 4-9511.

NEW SKYLINE SITE OF SECOND AUTO CRACK-UP

Police Car Skids, Hits Light Standard

The new section of Skyline boulevard, scene of a 20-car crack-up October 22, claimed another victim early Monday morning as a Daly City patrol car skidded out of control and smashed into light standard at the Skyline intersection with Alemany.

Officer Philip La Bruzzo said the accident occurred at 6:55 a.m. after he was in pursuit of an unidentified speeder who was travelling north on Skyline at about 60 miles an hour.

Turns Right

The policeman said the fleeing motorist turned right on Alemany. Attempting to slow down to make the turn, La Bruzzo's vehicle began skididng out of control and struck the signal at the southwest corner of the intersection. Only minor damage was sustained, to the right side of the car, according to the police department.

Later in his official report La Bruzzo stated that he believed the accident was due in part to the type of pavement on the new Skyline section.

According to La Bruzzo, he spoke to state highway engineer E. W. Strandberg, who said the highway was always wet from fog and that he believed the pavement was the wrong type for the existing climate here.

The officer quoted Strandberg as saying that he would report this accident to his office. Strandberg, according to La Bruzzo, recommended that the officer report the condition of the highway to the chief in an effort to have the state re-pave the area with "top-seal."

On checking with Strandberg, however, he denied making these statements.

Wearing Off

Traffic Inspector Henry Sunderman said today that the slipperiness of the new highway is gradually wearing off and that he expected the condition to be overcome within a few days. "One reason for the accidents is probably excess speed, coupled with the wet highway," Sunderman said.

At present the new Skyline section is a 35 mph zone. Sunderman said the speed limit would probably be raised to 55 mph within a few days when the slippery condition of the highway was improved.

On October 22, at approximately the same time in the morning as Monday's mishap, 20 cars were involved in a pile-up said to have been caused by an oil slick on the highway. At that time the highway department covered the dangerous area with sand and the con-

FIRST CONCERT PERFORMER WINS CRITICS PRAISE

Stephen Kemalyan Here November 18

"A remarkably big and sonorous baritone voice" was the way R. H. Hagan, music critic of the San Francisco Chronicle, summed up a recent concert by Stephen Kemalyan, young Fresno-born baritone. Kemalyan will inaugurate the Vista Grande Community Concert Association season November 18 when he will be presented in concert at the Daly City Theatre.

Young Kemalyan, of Armenian descent, has had a most promising career. He has appeared as soloist with the top symphony orchestras on the west coast: the San Francisco, Seattle, Portland and Los Angeles Philharmonic.

His many appearances on the Standard Hour (he was the first vocal soloist ever to appear on this prgoram) have made his voice a

familiar by-word in musical circles. Recent he expanded his operatic career when he appeared in "Faust" at the Hollywood Bowl with Richard Tucker, Nadine Conner and Jerome Hines. He has also appeared at the Bowl in a special version of "Carmen."

Kemalyan made his movie debut in MGM's "Strictly Dishonorable," starring Ezio Pinza. Many will also recognize his voice as the one used by Paul Douglas in the comedy, "Everybody Does It."

Born in Fresno, Kemalyan now makes his home in Los Angeles where he is a student of Dr. Norman Wright and Joseph Klein. His career was interrupted during World War II while Kemalyan served with the Special Service Division, entertaining troops in the European Theatre of Operations.

Kemalyan's local concert will consist of many of your favorites. Curtain time is 8:30 p.m. on November 18 at the Daly City Theatre. The only requirement for admission is your membership card in the Vista Grande Community Concert association.

Suspend Licenses Of Four Drivers

Licenses of four local mtoorists were suspended and three were placed on probation in recent action by the state department of motor vehicles.

Suspensions went to: Roderick John O'Connor, 343 Manor, Sharp Park; Naivs Lavelle Lackey, 711 County road, Sharp Park; George Harold Dexter Jr., 121 Wilshire avenue; Frank Peter Archini, 267 Wyandotte avenue; and Daniel Anthony McEvoy, 215 Winchester.

Probation was levied on the following drivers: Robert Harold Lipke, 427 Perry avenue, Sharp Park; Robert Jean Martinelli, 18 West Market; and Thomas Anthony Mejia, 74 Partridge Lane.

Convicted of drunk driving, with no suspension recommended by the court, was Eugene Patrick Kennedy, Mission Auto court, apt. 69.

Permanent reinstatements were granted to the following: Edwin Bentley Akridge, Box 364, Colma; Fred Rockwell Cummings, 80 Lynnewood drive, apt. 22; Moses Duarte Garay, 13 Muirwood drive; Fern Marie Harris, 161 Miriam street; James Francis Landini, 344 Citrus avenue; Robert Oliver Menn, 864 Maddux drive, Broadmoor; Vincent Astor Rockwell Jr., 429 San Diego avenue; and Samuel Charles Van Liew Jr., 215 Knowles avenue.

Wrong-way Driver Arrested by Police

After travelling several blocks on the wrong side of the highway and swaying across the double white, line, a motorist driving through Broadmoor was arrested early Sunday morning on charges of driving while intoxicated.

Broadmoor officer George Carleton arrested Joseph Marcoux, 33, of Redwood City, at 5:30 a.m. Sunday morning after observing the above automobile "antics."

According to Carleton, Marcoux was travelling north on Junipero Serra boulevard, but was driving in the south-bound lane as far over as on the should. When pulled over by Carleton at Junipero Serra and 91st street, Marcoux said he "didn't remember anything" except paying his toll from the Golden Gate bridge as he was enroute to Redwood City. Carleton said Marcoux gave no reason for travelling north, opposite direction from his home.

Carleton subjected him to a sobriety test and results were positive.

Marcoux was released on $250 cash bail Sunday and ordered to appear for arraignment November 18 in municipal court.

"Our dryer really gets a workout...yet it costs so little to run!"

says Mrs. Barrett Coates, Jr., 28 Plaza Drive, Berkeley, California (shown here with her daughters, Holly, Robin and Laurel and baby son, John).

"With three active girls and a baby boy to keep in clean clothes—I do a washing as often as three or four times a day. So this automatic dryer has really been a lifesaver! It's been on the go steadily since we got it, over a year ago. Yet it runs so economically, I've hardly noticed the difference in our P. G. and E. bills!"

Like Mrs. Coates, homemakers throughout California are discovering the work-saving convenience of the modern, automatic clothes dryer. And a dryer costs so little to operate, thanks to low P. G. and E. rates. Why not take full advantage of California's low-cost gas and electricity. Let an automatic dryer provide perfect year-round clothes-drying climate for you!

KEEPING UP WITH THE OTHER HALF

As Daly City continues growing with seven-league boots we are still made aware, almost daily, of the dissension which is being sown between the new subdivision, Westlake, and the original Daly City section.

In the more than five years since the birth and subsequent growth of the Westlake area citizens of the older Daly City section have maintained an aloof, if not antagonistic attitude, toward the neophyte tract.

By the same token, many of the new residents settling in Westlake have imagined themselves isolated in their own private community, holding complete disdain for their brother citizens' business and activities.

Of course, in both areas, there are the just-plain-good-citizens who accept Daly City as Daly City, both the new and the old, and make no qualms about who was here first and where they live.

Eventually, we hope, the entire citizenry will forget these imaginary boundaries that have been built up through snobbery, snidery and small thinking by small people.

Granted, Junipero Serra boulevard might provide what could be termed a "geographical boundary."

But couldn't Mission street be called a boundary between the homes west and east of this thoroughfare, or Knowles a line of demarcation between its northern and southern neighbors?

Despite beliefs to the contrary, the east and the west of Junipero Serra boulevard residents both have the same fire and police protection, both get their water from the same reservoirs, attend the same schools, churches and, what's of a primary significance, pay their taxes to the same government.

If these things don't constitute a community tie, we don't know what does.

We believe 24,000 residents striving in one direction for community betterment is just twice as good as two groups of 12,000 each trying to keep up with the other half.

Library News

Children's Book Week—November 14-20—Slogan this year, "Let's Read!"

With its slogan "Let's Read," the celebration of Book Week comes at a time when there has been wide-spread concern over American children's reading. Lucy Tompkins, executive secretary of the Children's Book Council, New York, speaking on this subject stated: "The constructive approach to the problem of our children's reading material is to make good reading more readily available to them, to make known to both parents and children the considerable treasure of good reading to be had for the asking in school and public libraries and in book stores."

While reading a recent issue of the Publisher's Weekly Magazine I came upon an interesting article on Book Week entitled "Children's Book Week Is 35 Years Young." Here, are some of the highlights from that article. The key point in developing reading habits is making books readily available. (This echoes Lucy Tompkins statement above.) This is one of the emphasis of the recently released joint report of publishers, educators, and librarians, "The Development of Lifetime Reading Habits." It is the key to the importance of Book Week.

Joint Effort

From its start in 1919, Book Week has been a joint effort of people interested in books to widen the public's attention to books and, if possible, to see that this interest, once aroused, can be satisfied by the supplies of books available. There has been no indecent rivalry among publishers as to whose books should receive most space and comment, no local competition among bookstores for a place on promotion committees, no jealousies between public and school librarians as to when exhibits are held. There has been every evidence that Book Week, as its founders hoped, has become a truly cooperative effort sponsored by enthusiasts who know what books are and what they can do when given a chance.

The first national Children's Book Week was 35 years ago. The impulse for it was given by Franklin K. Mathiews, the Boy Scout Librarian. The first slogan, it is worth recalling, was "More Books In The Home." The committee recognized the neglect and inattention that had befallen the home book collections of children. In homes where habits of reading and book ownership had been long established, there were plenty of books for children and more were being purchased; but there were thousands of families which had more recently become interested in reading through the influence of schools and libraries, to whom the bookcase was an unfamiliar piece of furniture and a collection of books for children not merely a neglected matter, but a matter not even thought of.

Rightful Interest

By accepting without reserve for general use the slogan "More Books In The Home," the librarians and teachers were recognizing that they had a rightful interest in all the reading of the boys and girls, knowing by observation that the book personally owned has an extra power over its reader.

The public library in your community plays an important role in making books readily available. If you haven't done so already, come to the library during Book Week and discover for yourself the many fine books for children as well as for adults. Books new and old will be on display throughout Book Week. Special activities which are planned include classroom visits and special story hours.

The library is open Monday through Friday 10 a.m. to 9 p.m.; Saturday 10 to 5.

There is a story hour every Wednesday afternoon at 3:30 p.m.

Why not make this year's Book Week slogan your slogan all the year round—"Let's Read!"

Plan Celebration For San Francisco State Homecoming

The San Francisco State college homecoming celebration will be held on the Lake Merced campus on November 18 and 19, according to Karl Knuth, activities commissioner. The festivities will begin with the crowning of the Homecoming Queen by Don Pitts, local radio announcer, during a coronation rally on Thursday at 1 p.m. A huge bonfire will be touched off at 8 p.m., climaxing a day of special entertainment and campus socials.

On Friday, the celebration will continue with a parade of floats just prior to the Chico-San Francisco State football game. The parade will leave the West Portal district at 6:45 p.m. The elected queen will reign over the colorful half-time activities at the game. A homecoming dance in the college gym will close the celebration.

San Francisco has a higher percentage of persons over 65 years than the State or nation as a whole.

My Mad World

By Leonore Brewer

By now the plot of "A Star Is Born" is known to anyone interested enough to read the thousands of column inches that have been devoted to publicizing Warner Bros.' recent release. The first columnist to take advantage of, Garland's personal triumph, tragedy and re-emergence as a star was the lucky one because he was the first to say, "A Star is Reborn." Those are his words and we must not borrow them.

So that doesn't leave much for us except to take advantage of Oscar Wilde's definition of criticism: that it need not concern itself with the thing criticised, but should record the emotions felt by the critic. And they were quite profound.

In our eternal search for the perfect opera, the perfect performance, the perfect film, we are frequently enraged by the fact that some small detail has marred the ideal we have set up in our minds. In our anger at having been cheated of the perfection not to be found in this world, we turn our back and walk away, oblivious that something of infinitely more value has been created. So let it be with "A Star Is Born."

It's Overly Long

Granted that it is overly long; that is a minor item to be corrected in subsequent runs. The score is not worthy of the story; Garland is handicapped by the lack of some emotionally significant song such as "Over the Rainbow." Her costumes occasionally leave much to be desired. The scene at the funeral seems too callous an indictment of the lunatic fringe surrounding the great mass of people who find a vicarious satisfaction in the real or imagined lives of the stars.

All these imperfections are minor. Rising above them, imbued by that magical quality that shines and glows is Judy, proving to the faint-hearted that starlight may flicker, it may even grow dim, but it can never be extinguished.

Nor is it ever afraid of competition.

In portraying Norman Maine a drunken actor bent on destroying himself, James Mason walks the very narrow path between the maudlin self-pity and the boisterous what-a-hell-of-a-cut-up - I - am pitfalls into which he could very easily have fallen. His acceptance of his tragedy is superb and his refusal to overplay his final farewell is masterly.

Corrosive Hatred

In Jack Carson's finely cut portrayal of Libby, the studio press agent, can be found a small weakness in the development of the plot. His corrosive hatred for Norman Maine is not sufficiently clarified. One is always aware that he has long been tired of extracting the actor from awkward situations, but one is not quite prepared for the air of quiet satisfaction which surrounds his announcement of Maine's dismissal from the studio.

Charles Bickford as Oliver Niles head of the studio seems almost too paternal. However, the fault may not lie within his portrayal but within ourselves. We remember Lillian Ross's "Picture."

Despite such carefully etched surrounding roles it is still Judy's picture. The scene in her dressing room, where in a choked tear-soaked voice she confides to Bickford her fears for the future, her hatred of her husband for his drinking and her hatred for herself for hating him, is a magnificent tour de force. She has no competition for this year's Academy Award. If she doesn't get it, it will be unforgivable.

Informing District Voters of $1,486,000 School Bond Issue

By the Citizens' Committee

The voters in the Jefferson Elementary School District are gradually being informed about the forthcoming bond election on December 7. Last week the Westlake, Colma and Pershing PTA meetings had speakers tell about the $1,486,000 bond proposal which is planned to provide the funds for needed school buildings in the next five or six years.

During the next three weeks speakers will appear on the programs of the Chamber of Commerce, the Lions Club, the James L. Snell PTA, the Crocker PTA, the Hillside PTA and other groups that are active in the welfare of the schools.

The bond issue is not as large as it seems. Of the $1,486,000 total only $328,000 worth of bonds can be sold the first year. Each year thereafter only the bonding power provided by the yearly increased assessed valuation can be converted into cash. The advantage of the long range plan of financing is that several bond elections will be avoided. Another advantage is that delays in obtaining state funds for buildings will be avoided.

At present the number of children on half session and in temporary quarters entitles the district to a state loan of about $800,000. This loan cannot be obtained, however, unless the December 7 bond election carries by a 2/3 majority of the votes cast.

Failure of the bond issue will mean hardly any more school buildings can be built. The increasing enrollment of the district calls for about one and one half classrooms to be built each month. With this increase and not enough buildings almost all children in the district would soon be on double and some on triple session.

Safety News

After all, pedestrians are people. So give them a break in traffic. In these words, Inspector H. Sunderman today appealed to motorists to do their share in making the current pedestrian safety program a complete success.

Any effective pedestrian safety program must have the wholehearted cooperation of both motorists and pedestrians. He reminded motorists that even when the headless conduct of walkers puts a driver on the spot, the driver is not justified in retaliating.

Remember, he said, the odds always favor the motorist. A human being is no match for a 3,000 pound vehicle.

He believes that most drivers and walkers display a cooperative attitude in traffic. No pedestrian deliberately gets run over, nor does a driver run a pedestrian down with malice aforethought. Most difficulties between drivers and walkers result from heedlessness on the part of one or both, or from a stubborn determination by someone to have his own way.

He advised motorists to make it a habit to give the walker the right of way even when he's not entitled to it. He also urged them to be on the alert so that they can compensate for any carelessness on the part of walkers. Drivers should always slow down near schools and playgrounds, in residential districts, and in shopping areas. They should be especially alert for the elderly whose reactions are slow and for children whose youth makes them impulsive and unpredictable. In addition to the usual traffic hazards special dangers are encountered at this time of year. Two of them are: more hours of darkness; and, the beginning of holiday shopping. Such conditions mean that motorists should slow down to counteract reduced visibility, constant alertness, plus more given and less take will go far in assuring the success of our pedestrian safety program.

'Junior Miss' Opens Wednesday At Jeff High Auditorium

Jefferson Union High school in Daly City will present its fall play, "Junior Miss," at 8:15 p.m. on Wednesday, November 19, in the school auditorium.

This very fine teen-age comedy, which has been made into a motion picture and is heard as a radio series, will be done informally, in the round rather than on the stage.

The cast, consisting of members of the Jefferson student body, is as follows:

Harry Graves — Paul Guaraglia
Joan — Gaye Hutchinson
Grace Graves — Diane Giacchino
Hilda — Judy Damico
Lois Graves — Sandy Dalman
Judy Graves — Laura Robison
Fuffy Adams — Margaret O'Brien
J. B. Curtis — Ray Navarra
Ellen Curtis — Simone Goldhirsch
Willis Reynolds — Tony Tapia
Western Union Boy — Bill Clark
Herrill Feurback — Charles Neil
Sterling Brown — Bob Madruga
Albert Kunody — Jim Rector
Tommy Arbuckle—Bruce Freeland
Haskell Cummings — Bob Stone

The properties committee, which secures all the properties needed for the play and places them for different scenes during the play, consists of these Jefferson students: Linda Amundsen, chairman; Rita Raffo, Gay Robinson, and Donna Varden.

Committee for the organization and printing of the play program consists of Rosalind Reinstra and Gay Robinson.

Publicity for the play is handled by the school Journalism class with Bernard Mayville and Marilyn Jones acting as chairmen.

"Junior Miss" is directed by Miss Eunice Seaton, Jefferson dramatics teacher.

Tickets for the play may be obtained from members of the cast or at the door the night of the performance for fifty cents.

ORDER EMERGENCY PUMP OPERATIONS TO BOLSTER LOW WATER SUPPLY HERE

The city council Monday night ordered an emergency pump be placed at Creston and South Mayfair here to bolster a water supply that has been termed dangerously low by the fire department.

In a letter to the council Monday, Fire Chief Elmer Kennedy pointed out that heavy residential use of water facilities has placed the reserve for fire fighting at a dangerously low level in Subdivision 6.

At present, a five horsepower pump is handling service for residents in the new subdivision, Westlake Highlands. This is only a temporary measure until Reservoir No. 2 is completed. Reservoir No. 1 is finished but has been emptied of its 1,300,000 gallons because of a leak which contractors are currently attempting to repair.

The five horsepower pump, with a two-inch line, is bringing in less than 200 gallons a minutes for the new area. Kennedy, in his letter to the council, said an emergency 15-horsepower pump would bring in 500 gallons a minute, a safe output for providing reserve fire fighting water.

Water Superintendent Gus Ford, present at Monday's meeting, concurred with Kennedy's stand and told the council, "We've got to have that pump in there immediately."

Ford explained that the present booster pump had been installed to handle the many new Doelger homes being built in the Highlands. However, he pointed out, as the residences became occupied the water use increased to the extent that there is now just enough water to handle residential use and no reserve for emergencies such as a fire.

The superintendent said the 15 horsepower pump would be installed during this week and would be used on a rental basis for $100 a month. The pump will produce 500 gallons a minute, far above normal home consumption, thus leaving adequate water for emergencies.

The emergency measure will probably only be in use for three or four months, until completion of Reservoir No. 2 and repairing of No. 1, at which time the city will have a water reservoir in excess of 2,00,000 gallons in this area.

Besides the danger of being without sufficient water in time of emergency, the inadequate supply here would have also jeopardized the city's standing with the national board of fire underwriters, which sets fire insurance rates.

Cpl. Thomas Miller Arrives In Korea

EIGHTH ARMY, Korea — Army Cpl. Thomas Miller, whose wife, Letitia Ruth, lives at 264 Frankfort street, Daly City, recently arrived in Korea for duty with the 7th Transportation Port Command C.

Miller, a stevedore with the 155th Transportation Port Company, entered the Army in May 1954 and was last stationed at Fort Eustis, Va. He is the son of Wade Miller, Etowsh, Tenn.

Drains Handling Rain OK, Says Andersen

Rain descended on Daly City and the Bay Area this week, but to date the city's drainage facilities are handling the run-off adequately, according to City Administrator Dan Andersen.

In past years the city has received numerous complaints in areas where drain openings have clogged, creating minor floods ranging up to two feet in depth.

The San Francisco-Oakland Bay Bridge is actually two bridges connected at the center by a tunnel through Yerba Buena Island.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

This week brought us the first real rainy days of the season. It is really msot welcome but please watch out for the youngsters at the school crossings. Between raincoats, umbrellas and their general wading through gutters they will be paying little or no attention to the cars.

Home from a trip are MR. and MRS. H. W. A. RICKMAN of San Diego avenue. They attended an official visit with FRANCES HILL, G.C.C., at Oro Fino circle, Companions of the Forest. After that they drove across to Point Arena for a visit to Pride of the Sea circle. Grand officers attending were Mesdames FRANCES HILL, G.C.C.; AVIS HANSEN, G.S.; FRANCES RICKMAN, G.T.; and ANN STANAWAY, G.L.G.

MR. and MRS. EDWIN MICHELSEN of Burlingame, while visiting in Los Angeles recently, had the pleasure of attending the dedication of a new wing at the City of Hope Hospital which is being sponsored by the Butcher's Union.

Some of the neighbors are leaving us. MR. and MRS. ANDREW WALLIS of Brunswick street have decided to change their address for one in San Bruno. They really hate to leave us but will be home to all their former friends and neighbors in their new home in the near future.

Items of Interest

MRS. CORDELIA ABIGANA of Irvington street is all excited these days. Her husband, BERNARD ABIGANA, is expected home from the hospital after six months for the Thanksgiving holidays. While he is much better now he would like to hear from some of the folks in the form of cards. How about it folks?

Woodrow Wilson's Kindergarten class will be loosing it's teacher soon. MISS ANN BIGGS is leaving on Nov. 12th to become MRS. HERBERT WALTON. The wedding will take place in the early part of December. MR. WALTON is a prominent attorney in San Rafael. The wedding will take place at the First Presbyterian church in Covian, California, the Rev. William, officiating. The bride will wear the traditional apparel. She will be attended by MRS. CHARLES BIGGS of Phoenix, and her brother, MR. CHARLES BIGGS will give her in marriage. Their will be no more teaching for Ann who will turn all her energies to domesticity. Many friends and relatives are expected to attend the ceremony. Many best wishes for future happiness are extended by all the folks.

Traveling again last week were MR. and MRS. H. W. A. RICKMAN of San Diego avenue. They left Friday, Nov. 5th, where MRS. RICKMAN, who is the Grand Treasurer, attended the Advisory Board of the Companions of the Forest.

MRS. CHRISTINE MICHELSEN of Miriam street is quite proud of her great-grandson these days. Her pride and joy, KEITH MARSHAL, was crowned Supreme Knight at the recent contest held by the Royal Order of Purple Heart in San Francisco. She really has just cause to be proud of this young man as his devotion to her is priceless.

Last week the Eagles Auxiliary No. 1848 held a Bazaar. One of the features of the event was the leg contests for Mr. and Mrs. Leg. All the contestants were hidden behind a canvas with just their legs showing so that there could be no way for memers of the audience to know who was who. Winners of the fancy, expensive, dime store trophys that really looked like the real McCoy were MRS. MILDRED DUNN as Mrs. Leg and MR. DAVE MALINOFF as Mr. Leg. Congratulations to the winners on their super-duper legs. Wish I could have been there.

More of the neighbors are in the throes of plans for moving. MR. and MRS. WILLIAM B. BAINES of Citrus avenue will be with us until December when they will move into their new home. While they will leave many friends behind them they hope they will always keep in touch.

One of the neighbors has been ill and one of her friends asks that the folks remember her. MRS. LICETTE McQUILKEN of Bellevue avenue just hasn't been feeling her best but hopes to be able to see her friends soon.

Servicemen

Joy reigns supreme in the Stevens household. LT. H. W. STEVENS of Castle avenue. He is due home from overseas duty in Alaska. The best part of the arrival is the fact that he will receive his discharge. Then there will be jaunts of house hunting and finally the happy return to the equally useful life of a civilian again.

Another of the boys is leaving us for service overseas. PVT. PAUL ALBANA of the U. S. Army is departing on December 3rd for service in the Far East. He will most probably find many pals over there as there are far too many of the boys away from home now.

Oh, happy day! Today as this is being typed STAFF SGT. PAUL A. MITCHELL of the U. S. Army is going through the process that returns him to the life of a civilian again. Paul spent many months in Korea when things were really at their height and only recently has been stationed at the Presidio. Congratulations on a new way of life for a fine young man. Wedding bells will be ringing for Paul in a few weeks so more congratulations will soon be in order in that direction.

This I like to write. The Eagle's Auxiliary No. 1848 are hard at work on the Christmas project for the fellows in the Letterman Hospital. They have been going regularly month after month to cheer up the boys and they have done so much for the morale of the fellows that they have been asked if in addition to their regular ward they would also undertake to entertain those boys and gals who are in the psychiatric wards. The members are donating anything in the way of toiletries, games, and other personal items that they can get. MRS. LEE O'NEIL, the mother of the Auxiliary, is the chairman, and this is a project most dear to her heart. In addition to the gifts the ladies will put on entertainment and of course furnish refreshments. This is a wonderful way of bringing happiness to people and an orchid to all who are taking part.

News and Views

This is an early reminder that the Mothers' Club of Our Lady of Perpetual Help school will hold its annual Christmas Bazaar on Sunday, Dec. 5th, in the school auditorium. This affair is the Mother's Club "main event" and much preparation has been made to make it a success. The purpose of the bazaar this year as in the past years is for the benefit of the school and it's children. There will be many booths of interest to all and of course refreshments and I do believe, a turkey dinner will be served. There will be more on this later but in the meantime those interested may call MRS. DOROTHY CARRINGTON who is chairman at PL. 5-2647 or MRS. DOLLY LEWKOWITZ, the co-chairman, at PL. 5-4870, or if you can't get either of those ladies try MRS. THIEBAUT at PL. 5-4008 for any and all information.

More of the folks had a wonderful vacation in the Islands. Returning home last Tuesday from one of the most eventful vacations of their lives were the M. J. PATTONS of East Lake avenue.

Heard of another of the neighbors who has had the misfortune to be ill. MRS. YVONNE ROOT of Wilson street has been on the sick list for some time and all her many friends wish her a speedy recovery as they miss seeing her.

Miss KATHY BRUSH who is the Eagle's Baby was the guest of honor at their last meeting. She had her annual birthday party as their baby. Fun and gaity was the keynote of the evening when twenty-five children helped her celebrate her birthday. She received many gifts from the children and charms for her bracelet from the Auxiliary.

Next week will bring us the first big holiday of the Season. Thanksgiving means many things to many people. Each of us in our own way has ever so much to be thankful for in this troubled world. While many of us will have chairs at the table that should be filled by a husband or son who is in the service we can still be thankful that first of all we are at peace, even if it is only of a precarious nature, and secondly that our men are willing and able to give up years of their lives to give us something to be thankful for.

Wel, folks, that just about does it for this week. If any of you are having company for the holidays let me know about it. Remember the phone is still PL. 5-6482, and keep ringing as I will be waiting to hear from you. Until next week then—'Bye now.

Miss Malone To Vacate Bethel Post

Miss Margaret Malone, of Bethel 198, Daly City, will vacate her position as grand representative to the State of Pennsylvania at the State Convention of the International Order of Job's Daughters.

The convention will be held in Long Beach this weekend.

To qualify for a Bethel representative to a state convention, that person must be a past honored queen or an honorary member. Miss Malone received her majority degree two years ago.

She is the first local member to receive such an honor since the beginning of the Daly City chapter five years ago.

Eagles Auxiliary Thanks Friends Who Helped Event

The officers and members of the Eagles Auxiliary this week thanked all of their many friends for attending and helping to make their annual bazaar a success.

Mildred Dunn announced on behalf of the Auxiliary several merchants at the "Top of the Hill" were "most generous." "Sincere appreciation" went to the following for donating some of their products that helped to make the bazaar the success it was: Vista Grande Market, Safe-Buy Meat Co., Relish Bakery, Shannon Hardware, Daly City Hardware, Sprouse Reitz, Central Club, and Daly City Super Service. In Broadmoor: Shaws, and at the beach, Smith's Yum Yum.

Dolores Warren, chairman of the silverware, announced that the silverware was presented to Ann Korshaunoff. The lucky winners from the booths were as follows: Candy, Evronie Lane; doll, Dolores Warren; canned ham, George Scally.

Irene Scally and Midge Fehl conducted the leg contest. The participants were behind a canvas and only the legs from the knees down showed. The winners were chosen by rounds of applause. Winners were the madam president of the Auxiliary, Mildred Dunn, and Dave Malinoff, a member of the Aerie. The winners were presented with miniature trophies and banners were pinned across their chests that read "Mrs. Legs of 1954" and "Mr. Legs of 1954."

ST. MICHAEL'S HOLDS THANKSGIVING WHIST

St. Michael's parish is holding its annual Thanksgiving Whist Saturday evening, November 20, 1954, at 8:30 p.m. in the school auditorium, 55 Farallones street.

OLPH Mothers To See Preview Of Yule Bazaar Items

During the recess of the meeting tonight (Friday) of the OLPH Mothers' club Mrs. Dorothea Brush, chairman of the apron making contest, entries submitted by the members will be on display and judged.

Prizes will go to the most pretty and most practical entries. These aprons will become property of the Mothers club and will be for sale at the Christmas bazaar December 5.

Aprons will be only one of many items available at the bazaar. Mrs. Esther Nolan, chairman of the sewing booth, will offer hand-made pillow cases, beautifully embroidered dish towels, crocheted potholders, clothespin bags and many other novelties suitable for Christmas gifts.

Members of the sewing committee, as well as other club members, work on these projects all year. This booth has been termed the outstanding attraction of the Christmas Bazaar.

Mrs. Nolan will be assisted by Mesdames Marie Marinakes, Cleo Rodriques, Hattie Watt and Dorothea Brush.

Fifth grade mothers, under leadership of Mrs. Betty Traynor, will be hostesses for the evening's meeting, which begins at 8:15 p.m. in the school auditorium.

PACK 63 OFFICERS, DEN MOTHERS AT SATURDAY POW WOW

Pack officers, den mothers and parents of cubs of Pack 63 attended the Pow Wow held Saturday at Galileo High school, San Francisco.

The Pow Wow, held each year, enables the leaders to do a more efficient job in the Pack.

Mrs. Ellen Davilla prepared the Pack's craft box which each pack was required to enter.

Mrs. Mary Fife, Den mother of Den 6, is taking her den to the Fun House this Saturday.

Increase Output On '55 Studebakers

William J. Sweeny & Sons, Studebaker dealer whose showroom is at 6800 Mission street, has received a letter from J. J. Nance, president of the Studebaker-Packard Corporation, stating that the corporation's first month of operation has brought "a heartening indication that the advantages planned from the joining of Studebaker and Packard are beginning to bear results."

The letter is a progress report to Studebaker dealers covering the period that has marked the initial month of production of Studebaker's new 1955 models as well as Studebaker-Packard's corporate existence. In it, Nance points out that Studebaker dealers "have put our program into action with a solid sales performance that has required us to go on overtime production rates in our South Bend and Los Angeles plants."

The president's letter credits the rapid sales upswing largely to new competitive prices on the 1955 models effected in advance of anticipated savings from higher volume and economies to be accomplished through the combination of company facilities in engineering, manufacturing and purchasing.

WOODROW BOARD PLOTS PLANS FOR DEC. BAZAAR

On Wednesday of last week the executive board of the Woodrow Wilson PTA met at the home of Mrs. Mendel Plansky. Final plans were made for the December 3 bazaar. Featured at the bazaar will be a sewing table, home-baked goods tables and a plants and ceramics table. Ice cream, soda, popcorn, grabbags, balloons and hot dogs will be sold. The very popular game room will be repeated for them this year. During the dinner hour, 5 to 7 p.m., two hot dishes, tossed salad, rolls, coffee and cake will be sold. Something for everyones taste and interests is assured by the PTA.

After the business meeting, a surprise shower was given the newlywed Mrs. S. Rhodes. The former Miss Schmale is a faithful PTA worker, having held office as financial secretary and historian, as well as planning bazaar activities and membership posters. A tiered wedding cake was the feature of the beautifully appointed table.

Another event of last week was the room representatives get-acquainted meeting held at the home of Chairman Mrs. S. Davies. The mothers planned their part in the coming bazaar and the fathers night meeting.

The next regular PTA meeting will be held Tuesday at 7:30 p.m. At this time all Woodrow Wilson fathers will be honored. A special invitation is issued for them to attend. A very interesting film will be shown that evening. It's title is "Flying With Arthur Godfrey," and it is a history of aviation.

Crocker Children Study Airplanes

Miss C. Clark
Sixth Grade

Our class is working on airplane reports where we write on how the airplane has advanced since it was invented. We've got a lot of model planes. We have planes from different countries such as German planes, Japanese planes and a lot of United States planes. We got to see a movie called "Youth Takes To Wings." It had a lot of plane experiments.

We had a couple of boys show us some experiments on air. One boy did an experiment using a hard boiled egg and a milk bottle. Getting the egg out wasn't too hard. The boy blew into the bottle and the egg came out with such force the boy almost choked over it.

At the first part of the year we held an election for class government. We elected two boys and two girls and some room monitors. We have a place where we get stars for books reports and a place where we have the spelling average. We are doing fine in folk dancing.

Miss K. Kearney
Fifth Grade

The children in Room 4 were pleased with the map presented to them by "My Weekly Reader."

Evelyn Hunley won second prize in a poster contest conducted recently by the Daly City fire department.

Tickets Sold Out For Testimonial Dinner

All available tickets for the Testimonial Dinner hnoring Don Mossi, Ed Cereghino and Bob Silvestri have been sold out, according to Dan Casentini, chairman.

"Hundreds of requests for reservations have been coming in, but unfortunately as stated earlier, the seating capacity was limited," stated Casentini.

"My greatest thrill, he added, was to see the great interest taken by every sport minded citizen in this area to obtain tickets, so all could honor these men."

The dinner will be held on Satday, November 20, at the Lovchen Gardens, Hillside and Chester streets, Colma.

Hemophilia Group Announces Cake Sale On Saturday

The Northern California chapter of the Hemophilia Foundation, Inc., announces its' Second Benefit Cake Sale to be held on Saturday at the Town & Country Food Center in Westlake. The Sale starts at 10 a.m. and all proceeds will go to help equip and maintain and provide blood and plasma for a Hemophilia Treatment room in San Francisco.

'Research is going on to determine the cause of Hemophilia, and ultimately find a remedy to help sufferers, but in the meantime, men and boys afflicted with this dread disease must be treated and kept going. Immediate transfusions, traction and case equipment, therapy and other treatment are necessary to prevent permanent crippling. Funds are needed now to provide these things for boys and men who families are no longer able to stand the expense of these necessities," the group said.

Information on the Fundation and its purposes may be obtained by calling the San Francisco Chapter office, OV. 1-6522 or OV. 1-2452. In Oakland, call OLympic 3-8252. All persons interested in Hemophilia or knowing of a sufferer who needs help, are urged to contact the office immediately.

Members of the Northern California Chapter from Sunnyvale to Fort Dick, expressed their thanks for the help given them in the first sale in June.

PTA Told Teamwork Necessity To Attain Dental Health Goal

Teamwork by parents, teachers, patients and dentists is a necessity in attaining the ultimate goal of good dental health, stated Dr. Loren Borland, professor of oral diagnosis, at the Thursday meeting of the Westlake PTA. Dr. Dorland, speaking as one of a panel of three from the University of California college of dentistry, stressed the need for early dental visits in order to start a good relationship between child and dentist. Cavities have been found in children as young as 18 months of age and it is the parents responsibility to start a twice yearly checkup, a habit which should be carried on throughout life. Dr. Borland also emphasized the need for xrays wherein small cavities are disclosed and cared for with minimum discomfort to the child.

A tooth will react as soon as pressure or lack of pressure is apparent. Habits of chin pressure, facial pressure and thumb sucking can cause malaligned teeth, according to Dr. Eugene West, professor of orthodontia. The need for thumb sucking is normal in an infant but if the habit continues until the age of five or six years it is difficult to break and can cause needless damage to the dentures. Orthodontia, as practiced today, is aimed more at prevention rather than at correction.

Career For Girls

Mrs. Jacqueline David, dental hygienist, told the group that this field is an excellent career for girls. The dental hygienist is the public health nurse of dentistry. Mrs. David urgd parental supervision of tooth brushing and mentioned that snacks for young people should be handy and should consist of fruit, popcorn, nuts, and cheese dips rather than sweets. She also stated that fifty per cent of all two year old children have tooth decay.

Dr. John Eiler, professor of biochemistry, was moderator of the panel and a question period followed the speeches.

A crowd of 250 members and friends of the PTA attended the meeting.

Mrs. Ralph Sylvester, membership chairman, announced that the unit membership campaign has resulted in 858 members. This is well over 100% of the school membership of 822 students. Mrs. Sylvester thanked all parents for their cooperation and support and awarded Mr. Bell's class first prize for the largest percentage over 100 per cent. Their final total was 271 per cent. Mrs. Dowd's class had 207 per cent, Mrs. Medzian's 164 per cent and Mrs. Lewis's 163 per cent. Every class in the school scored over 100 per cent.

Service Offered

Mrs. Guido Pfotenhauer, president of the unit, told of the service offered the community by the San Mateo county visiting nurses association. The service is available to everyone in the county regardless of income. Among the many services offered are home nursing care under the patients own doctor, teaching the family how to give nursing care, and the changing of dressings. The Daly City office is located on Mission street next to the post office, 7375 Mission street, PL. 5-0771.

The unit voted to participate in the March of Dimes campaign in January, 1955.

Peter Markovitch spoke on behalf of the Jefferson Elementary School district bond election on December 7.

Mrs. Katherine Mullen, school trustee, urged members to attend school board meetings on the fourth Wednesday of each month at 344 Santa Barbara avenue. Because of the holiday season the November and December meetings will be held on the third Wednesday.

Clothes-Rag Drive

Mrs. James Moses reminded the group of the Clothes-Rag drive to be held November 17. Mrs. W. L. Leavick, publications chairman, announces that she is still taking subscriptions to the California Parents Magazine. The price is $1.25 a year. Mrs. Leavick may be reached at PL. 5-7028 mornings and evenings.

Mrs. Beber's third grade class won the attendance prize for the evening. Coffee and doughnuts were served by the kindergarten mothers during the social hour following the meeting.

NORTH PENINSULA ORT OPEN MEET SET NOVEMBER 16

The Northern Peninsula Chapter, Women's American Ort, will hold an open meeting on November 16 at 8 p.m. at the home of Mrs. Herbert Zelinsky, 91 Eastgate drive.

Mrs. Kurt Goldstrom, president, having recently returned from the Women's American Ort Presidents' conference in New York City, will give a report on what she has learned there. Anyone wishing to attend may contact Mrs. Zelinsky at PL. 6-0396.

An Ort Sabbath will be held on November 19 at 8 p.m. at Congregation B'nai Israel, 67 Los Banos avenue, Daly City. Rabbi Wolle Kaelter will talk on Ort, and members of the Northern Peninsula Chapter will be hostesses at the Oneg Shabat following the services.

The Rev. Roy W. Milam, pastor of the Westlake Community Baptist church, will be guest speaker for the Westlake Temple Men's club Sabbath program today (Friday) at 8:15 p.m. at 67 Los Banos avenue, Daly City.

The Rev. Milam received his theological degree from California Baptist Theological seminary at Covina. He was also graduated from San Francisco State college and has been a Bay Area resident for more than 30 years.

During World War II the Rev. Milam was graduated from the USN Procedure and Communications school. He served three years as communications officer aboard a troop ship, in addition to serving in the capacity of chaplain.

The Temple Men's club will present and participate in regular services on Friday evenings every six weeks.

The club has extended an invitation for all to attend. Social and reception will follow the services.

The Navy supervises more than 200 reserve industrial plants, including copper smelters, aircraft-engine factories and ammunition plants.

400 Y.M.C.A. CLUBS PARTICIPATE IN MODEL LAWMAKING

Serious business of state government is scheduled for November 13 at the Stanford University Chapel, when boys and girls of nearly 400 YMCA high school clubs of Northern California meet to elect officers for the Model Legislature of 1955.

Bob Balck, senior of Lincoln High School and member of the Golden West YMCA, is a San Francisco candidate for governor, with an excellent record as senator in the 1954 Youth Legislature to recommend him to the juvenile voters.

Every year, for two days, delegates and officers of California's YMCA high school clubs take over the Capitol in Sacramento. In this impressive setting they learn the basic technique of government: how to draft a bill and see it through committee stages to final passage, how the Sttae Legislature is organized, and how the two houses function in the process of law making.

Real-life senators and assemblymen, as well as a panel of university professors and other civic leaders, train and guide the youthful law makers to make the model legislature run along thoroughly business-like lines.

The Navy operates a correspondence school with more than 150,000 Navy and Marine students.

The Navy is a rent-collecting landlord for more than 24,000 families.

The Navy has more than 180 of the world's most distinguished scientists including 10 Nobel Prize winners, in its advanced research.

COBURN STARS AS SARTO AC WHIPS PISA CAFE

Ron Coburn had a field day for Sarto A.C. Sunday as he pitched a four-hitter and banged out three hits himself to defeat New Pisa Cafe, 10-5.

It marked Sarto's second consecutive win after three straight losses in Peninsula league competition.

Coburn, in giving up four hits, allowed five walks and struckout 11.

The opposition failed to hit Coburn until the fifth inning. He struck out the first five batters to face him.

Coburn also led hitting with three four four.

Sarto's notched scores progressively, getting one in the third, two in the sixth, three in the seventh and four in the ninth.

A strong wind turned several easy outs to hits for both sides.

Manuel Romero got a double and a triple for the local nine.

Bob Mannai, new catcher for Sarto, was credited with an outstanding performance in his initial effort with the team.

This Sunday Sarto clashes with Don Gilmore, beginning at 2 p.m.

Lonesome Chief Petrocchi Goes On To Defeat Pair

Roland "The Giant Killer" Petrocchi hopes to pair with Bill Kennedy tomorrow (Saturday) in the semi-finals of the Lake Merced Invitational golf championship and if the team does near as well as Petrocchi did by himself last week they should be "in."

"Lola" Petrocchi compounded somewhat of a miraculous feat Saturday in the second round of play when he took to the greensward minus a partner and put down Alex Galbraith and Alan Hyman.

Petrocchi was scheduled to pair with Kennedy but the latter took sick, leaving the chief partnerless.

He decided to play the alternate shot, selective drive event alone, much to the chagrin of his two opponents.

Petrocchi bested his opponents two up. They were the same team that had beat favored George Studinger and Ray Burns, 4 and 3, in the first round.

Four Vacancies On Broadmoor Police Reserves

Vacancies now exist for four men on the Broadmoor police reserves, Chief Ray Savage announced today.

Four more members will bring the reserve ranks to 20, Savage said.

Three-months training program for the officers will start November 17 at 8 p.m. at the Broadmoor station, and men interested have been advised to contact Savage before that night.

Opening night of the training program will find Sgt. Veston Williamson, head of the records and identification bureau of San Francisco police, giving a talk on his field.

Various law enforcement officials will act as instructors at later training sessions.

Qualifications for the reserves include residence in the Broadmoor police district, good physical condition, and a minimum age of 21.

All equipment is furnished by the district and only cost to join the reserves is a $10 deposit.

COLMA EAGLES RIPPED 31-6 BY REBELS IN UPSET OF GRID SEASON

The Colma Eagles, who had reason to be haughty with a record of no losses, no ties, and no points scored against them in recreation football league play, learned about humility the hard way Saturday as a relentless Colma Rebel club laced them, 31-6, in the season's biggest upset.

A consistent ground and aerial game by the Rebel backs, combined with line play that was almost faultless going either way proved the ingredients to upend the highly-touted Eagle club.

The opening kickoff found the Rebels on the receiving end of a boot that went all the way to their own five-yard line.

Ahern Away

In what loked like a trap situation, Jim Ahern tucked in the pigskin and with wondrous fakery, aided by Larry Schoenfeldt's key block on Pete Garcia, rolled out, reversed his field at the 15-yard line, continued down the sideline and went 95 yards to score.

His jaunt was executed with timely blocks by Don Burrley and Schoenfeldt.

The conversion, a pass from Don Rex to Ahern, was good.

At this point the game developed into a defensive encounter, with neither team registering on the scoreboard for the remainder of the half.

Early in the third quarter the Rebels unleashed a 70-yard pass-run play from Burrley to Rex to increase their lead to 13-0.

The Eagles stormed back with their own attack, capped by a Steve Opperman 20-yard jaunt, helped along by the blocking of John Mullin and Garcia. Oppermann then hit Garcia with a 35-yard pitch to the 10 yard line to set up the lone Eagle score, as he threw to Ross Holmgren in the end zone on the next play.

Complexion Changes

It was at this stage that the game's complexion changed in a manner entirely unexpected by the Eagles.

The Rebels' Burrley tossed perfect to Schoenfeldt from 25 yards out for another score.

Taking over after the kickoff, the Eages threw a long pass intended for Holmgren which was plucked out of the air by Burrley, who returned it 40 yards for another tally.

After an exchange of downs Burrley again scored from 25 yards out, bursting down the sidelines to score the final six-pointer.

The Rebels victory deadlocks the league in a three-way tie, shared by Colma Eagles, Colma Rebels and Broadmoor Cats.

The three winning coaches agreed that a flip of the coin would decide the play-off schedule which will start Saturday.

Playoff Saturday

Result of the flip finds Eagles facing the Cats, while the Rebels tangle with the Colma Redskins. These games will start at 10:30 a.m. Saturday at Marchbanks. Final playoff will be held the following week.

The Broadmoor Cats defended their tie for league leadership successfully by putting down Colma Bears, 27-0.

Gary Cowden pitched to Mike Deal for the first Broadmoor six-pointer in the first quarter.

Later in that quarter Cowden circled his own right end to pick up 20 yards and set up a march for the second touchdown.

Bulleyes fired to Deal and Ben Rose, who made a spectacular running catch, advanced the ball deep into Bear territory. Cowden hit Art Shanoian for the TD.

In the third frame, the Bears, led by Paul Giomi, Larry and Gary McGinnis, moved along smoothly on a series of plays but finally lost possession.

It was Cowden again for Broadmoor as he threw twice to Shanoian and once to Chambers and Deal to tally a third time.

In the final heat Deal took over tossing chores, connecting with Cowden for 25 yards and another score.

Bill Pickering, Jim Watkins and Bob Lawl were standouts for the Bears in the blocking department, while Phil Fair, Bill Krueger, Bob Roller and Ron Rose excelled for the Cats.

The only other "A" league game found the Colma Redskins annihilating the OLPH Giants, 47-6.

Andy Scalese starred with two 80 yard TD runs while Chuck Rivera scored four touchdowns and two conversions. Ron Camgros added the other tally and extra point. Bill Brush of the Giants scored his team's only TD when he flashed 75 yards to paydirt.

Bucs, OLPH Win

In the "B" circuit, both the Broadmoor Bucs and OLPH continued to stay in the win column, the Bucs downing Broadmoor Indians, 21-0 and OLPH embarrassing the Broadmoor Tigers, 50-0.

The Bucs, spear-headed again by Jim Heick, scored on passes to Web Parker, Bill Dougherty and Bob Goodwin.

The Buc defense was tight, as the Indian's aerial attack was able to sift through only on a few occasions.

OLPH moved with ease on long ground gainers and a sterling passing attack to larrup the weak Tiger eleven.

Whalen, Gehrie, Hopman, Lycett, Strebey and Cavellini all scored one or more touchdowns. This week finds OLPH pitted against a fine Broadmoor Buc team, the outcome of which will decide the "B" league championship.

All Distaff Golfers Invited To County Tourney At Crystal

Women golfers, either in the hacker or semi-professional class, have been extended an invitation to participate in the first annual County Women's Golf Championship Tournament to be held November 15, 16 and 19 at Crystal Springs club.

Hoping to make the affair an annual golf extravaganza for the ladies, Crystal Springs pro Ev Goulart, tournament director, said handicaps aren't a requisite for the competition. In fact, they'll even have a special prize for women without handicaps.

"Even women who can't play golf are invited," said the director, indicating that even ladies in the less-than-duffer category are welcome.

The tourney will be 54-hole competition, medal play.

More than $200 in prizes will be distributed. First, second and third place finishers in the championship flight will receive awards, as will the first three medalists in three lesser flights, making a total of 12 prizes.

In addition, special prizes will be given for any hole in one and a bonus daily prize will go to the women posting the low 18-hole score. There will also be a special prize for women without handicaps.

Entries may be made anytime and further information may be obtained from Goulart at DI. 3-9663.

Crystal Springs course, headed by Eli Leider, is sponsoring the affair.

The San Francisco Fire Department Auxiliary Reserve is composed of about 300 specially trained men who are Civil Defense volunteers.

WINLESS JEFFERSON

Hope To Nip Lions Through Air Today

Finding an aerial game to their liking Friday while losing to Burlingame, 27-7, Jefferson High school's winless varsity will probably be lofting the pigskin plenty of times today (Friday) when they face a formidable Lincoln Lion eleven in a home game beginning at 2:45 p.m.

Halfback Jim Honeywell had his finest hour through the air lanes Friday as he passed to one touchdown, ate up big chunks of yardage on other bulls-eye tosses.

In all, he completed 8 out of 18 attempts which is his best yet during a season which has seen Jefferson unable to chew off much ground either below or above the cleats.

Pass Concentration

Coach Joe McGrath has placed heavy concentration on passing this week and is dabbling with some backfield changes for this all-out aerial game.

Wayne Lee, third string QB, proved a valuable man in the pitching department Friday as he engineered the club from the Panther's 43 on down to the 24 on a pass to Al Arneson in the third quarter. Honeywell then took over and fired one to Herb Frost for the Jeffs lone tally.

Ken Smith, second string quarterback, also is gifted in the passing department and has a definite role in McGrath's offensive plans for today.

Top receivers who will be shimmying up for the Smith, Honeywell and Lee tosses today will be Mike Cloonan, Rich Rodriquez and Al Arneson.

Don Wise has been tabbed as another receiver who might see action and Honeywell may be on the receiving end today, too.

Toss To Honeywell

McGrath's figures if one of the Jeff backs can hit Honeywell out in the flat or behind the secondary, the speedy half will be off and running for good sized gains.

Jeffs' chief weakness in last week's loss, as McGrath sees it, was weakness of his defensive backs. Admittedly, though, the offensive was no great shakes either, showing only spurts of effectiveness especially on the passing game.

The Lion team that Jeff faces today is tied for second in the league and has three wins, two losses, one of them an upset at the hands of Willow Glen, the other to league-leader San Mateo. Dennis Dudley, left half, stacks up as the big trouble for the Jeff defense in today's contest. Dudley is big and fast and has proved versatile running or passing.

Jefferson is currently bogged is last place in league standings, without a win in five outings.

Ladv Eagles Second At Brentwood Bowl

Donna Almquist, captain of the Eagles Auxiliary Bowling Team, announced today that they are in second place in the 720 Scratch League at the Brentwood bowl. The team in first place is one and a half games ahead of them. The Bowling Team is sponsored by the Auxiliary and composed of Auxiliary members. The team consists of the following: Donna Almquist, Alberta Diebel, Britta Morris, Agnes Melz, and Mildred Kalinin.

The team bowls every Friday at 8:45 p.m. at the Brentwood Bowl. Donna Almquist invites all officers, members and friends of the Auxiliary to come to the alleys and watch them bowl.

CROSS COUNTRY TEAM THIRD IN PAL FINALS

Things went just about as predicted last weekend in the Peninsula Athletic league cross-country finals at Stanford as Jefferson High school's team squeezed into third place, far behind Carlmont and Palo Alto, in that order.

The loss of Rich Fambrini because of ineligibility proved a big factor, as Jim Rector, winding up second, was the only Injun who could pull a respectable finishing position in the field of 63 runners.

Rector finished 20 yards behind Ron Larrieu of Palo Alto, who toured the 1.94 mile Stanford course in a new-record time, 10:10.4, eclipsing the former standard of 10:29.

Rector's time, 10:30, proved the second top mark ever posted at the track.

Never Headed

Larrieu was never headed as he took an early lead and increased it as the race progressed.

Next best the Jeffs could do after Rector was 20th, turned in by Clark Souza, who was clocked in 11:33. Jim Taylor, running the distance in 11:35, was 23rd. Other finishers were: Bob Poole, 25th, 11:46; John Jackson, 31st, 11:50; George Grosso, 42nd, 12.12; Tom Tringali, 43rd, 12:13.

Carlmont's winning total was 29, while Palo Alto had 35, Jefferson, 101, Capuchino, 108, Burlingame, 113, Menlo Atherton, 202, Sequoia, 202, South San Francisco, 202, and San Jose, 222.

Coach George Simon said had Fambrini been in the race and Poole and Jackson improved their times by a few more seconds the locals might have captured first.

Although Poole and Jackson posted better times than in their previous races, they didn't shave off as much as Simon had expected them to.

NCS Today

The harriers travel today (Friday) at 2:30 p.m. again to the Stanford course where they will take part in the North Coast Section group meet, consisting of trials competition among schools in the same attendance classification.

Rector has been conceded a strong chance to cop his group race, however the Jeff team probably won't finish in the money.

Teams finishing first in their group today will be eligible for the NCS finals the following Saturday. The second place team that posts the fastest time among all the groups will also be eligible, as will the individual winner of each race.

Finals will be held at 10 a.m. at the Stanford route.

INDIAN CAGERS WIND UP SEASON WITH TWIN WINS

Jefferson High school's 10s and 20s cagers made it an even dozen wins apiece Wednesday afternoon at South San Francisco as they edged the Warrior teams in a pair of lack-luster contests.

The 10s won, 34-28, as they held the SSF five to six field goals, five of them potted by Ralph Ruiz. The Warriors, capitalizing on the more that two dozen fouls registered by the Jeffs, sunk 16 free throws.

The Indians led throughout the contest with the exception of one brief moment in the third quarter when they trailed by one point.

Gary Ryan and Puzzy Firth hit for eight points each, while Al Long was high for the evening with 11.

Ino Patron hit 3 and Al Dye 2.

The 20s bumbled through four quarters of play to last out a much inferior Warrior club, 18-15, in the lowest scoring game the local team has participated in this year.

Coach Mike Orlich started his first string and they displayed their usual excellence, building up a 14-0 first quarter lead. Then the Jeffs fell apart at the seams and only the poor playing of South City saved them from a defeat.

In the second quarter, with their second team in, the Indians failed to register a point, while SSF hit for 3.

In the third quarter, with a mixture of regulars and second string in, the Daly City team could tally only 2 points, while the Warriors notched 10, making the third quarter score 16-13, Jeffs favor.

In the fourth quarter the Indians still could manage only 2 points but, luckily, SSF only got the same.

In the last three minutes Orlich put in the entire first string and they failed to tally a score.

In those final minutes the South City five was awarded four foul shots, missing them all. Had they made good on these they would have registered the first win of the year over the Jefferson cagers.

Len Hinterman and Waldy King led scoring for the Indians with six apiece.

Wednesday's games ended the regular season for the two local teams. Play-offs with the southern division champs will be scheduled at a later date.

APPLE TREE, DC EAGLES STILL SHARE KEG TIE

For the second straight week Apple Tree Rest and Daly City Eagles remain deadlocked for first in the Daly City-Colma Bowling league at Brentwood.

Eagles swept two from Paul's Flowers Tuesday while Apple Tree knocked over Marketeers for a pair, giving each team an 18-9 record.

Central club moved into undisputed third place, rolling a pair of wins over Carlos Pizzera for a 17-10 mark. Thur Meat, formerly tied for third with Central, suffered two losses to Lucca Meats to drop down a notch.

The evening's competition was capped by Babe DeLuca's astounding 664 series, fashioned with games of 220, 222 and 222, giving De Luca high individual game in addition to series. De Luca rolls for Vince & Fred. R. Alholm rolled a 221 for second.

Other runners up for high game were Don Middleton of the Daly City-Colma Lions, and R. Alholm of Central Club, who each tossed a 221.

Other top scores for the evening were recorded by: L. Selmi and Nate Pearlman of Vince & Fred, 205-534, and 537 respectively; W. Shaw and H. Kalinin of Ralph's Cleaners, 205, and 219-581 respectively; Carl Rangell, of Walter's, 202-551; Dick Keefer of Apple Tree, 529; T. Cantert, Marketeers, 204-516; Frank Thur, Thur Meat, 534; Ray Cool, Wm. Lagomarsino & Co., 208-556; Pat Bolantini, 101 Club, 222-203-594.

Only three game sweep was turned in by 101 Club, who took the measure of John's Brentwood Rest. The win gives 101 club a 16½-10½ mark and establishes them in fourth place.

Other results Tuesday found Vince & Fred taking two from Ralph's, Walter's doubling over DC-Colma Lions, Lucca winning a pair over Thur, Vagabonds taking two from Wm. Lagomarsino & Co.

Mateans In Final 'Road' Game Friday

College of San Mateo will play its last game away from home this Friday night at Modesto Junior College and on November 20 will close its season by playing Sacramento Junior College at Redwood City, using the Sequoia High school field.

Meanwhile Coach Ray Balsley has 22 basketball players hard at work preparing for the opening of the 1954-55 court season.

Jeff Cagers Take Both League Top Spots

Coasting to a pair of wins Tuesday over Carlmont, Coach Mike Orlich's Jefferson High school's 20s and 10s basketball teams have now annexed both Peninsula Athletic league championships, marking the first time in the school's history that two cage squads have won titles simultaneously.

In Tuesday's action the 20s game found forwards Waldy King and Bob Phillips taking control of the game all by themselves as they alternately potted baskets up through the third quarter, without another Jefferson player scoring a field goal.

Half-time score was 16-8, Indians favor, and the locals moved to a 20-12 third quarter score, winning finally 34-14, as they held the opposition to one bucket in the final canto.

King wound up with 12 markers to win honors for the afternoon, while Phillips was close behind with 10. Len Hinterman hit for 6, Dick Fudge for 2 and Ron Flansberg for 4.

The 10s, paced by Al Long's 12 points, won an equally lop-sided victory over the Carlmont dimes, 39-19.

The locals held a 22-7 halftime advantage.

Scoring were Long, 12; Gary Ryan, 8; Puzzy Firth, 2; George Micchi, 4; Al Dye, 2; Ino Patron, 4; and Lewis, 1.

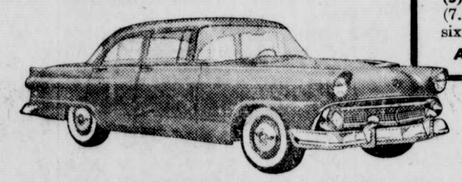
Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find *your* kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: *why look farther—why delay—you just can't buy better than Ford.*



New MAINLINE Series . . . Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

EXCLUSIVE TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build . . . short-stroke design.
(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.
(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.
